Atlanta Green Theatre Alliance

Our Mission

Our mission is to motivate, educate, and connect the Metro Atlanta theatre, arts, and service communities to engage in environmentalism and mutual aid.

Our core values embrace a thoughtful approach to Community Equity, Sustainability, Green Innovation, Empowerment, and Direct Action.

Welcome to Atlanta Green Theatre Alliance's first newsletter of 2023. We have some exciting projects and improvements in the works that we are thrilled to finally be able to share with you all!

Stay up to date!

SCHOOL DELIVERY PROGRAM

The Atlanta Green Theatre Alliance School Delivery Program assists in re-homing materials and equipment from the Atlanta Theatre community to Metro Atlanta schools and arts departments.

School delivery assistant, Courtney Lewis, with materials bound for Mays High School and Stilwell School of the Arts

"Funding for arts programming is limited so we aim to stretch our resources... These materials [from AGTA donations have] allowed us to create art."

From The AGTA Shed

ABOUT US:

The Shed is AGTA's small warehouse space located at South River Art Studios in Southeast Atlanta.

Here, we collect donated items from artists, theatres, film crews, and community organizations.

We then redistribute these materials to the community for FREE, giving these items a second life rather than sending them to the landfill.

Typical items we have/accept:

- Paint
- Hardware
- Tools
- Lumber
- Art Supplies
- Gently used Scenery/props

Come see what we have!
Appointments required.
